

THE GOVERNING STATUTES OF WORLD CARROM

World Carrom Federation

STATUTES

The constitution of the international governing body for the sport of Carrom – its purpose, membership, structure and rules of governance.

"Carrom for All, All for Carrom."

OFFICIAL COLOURS · BLUE & YELLOW

CONSOLIDATED EDITION · AUGUST 2026

About These Statutes

These Statutes are the highest rules of the World Carrom Federation (WCF). They set out who we are, what we stand for, who may belong to us, how we are governed, and how disagreements are settled. Every Member federation, official, and player operates within the framework described in these pages.

The document is written to serve three audiences at once. For **lawyers and administrators**, it is a precise legal instrument. For **Member federations and officials**, it is a practical handbook of rights and duties. And for **players, volunteers and the wider public**, it is a plain-language guide to how the sport is run. Throughout, shaded panels marked **IN PLAIN TERMS** restate the essential meaning of an article in everyday language.

1988 FOUNDED	31 ARTICLES	5 CONFEDERATIONS	CH SWISS LAW
------------------------	-----------------------	----------------------------	------------------------

How to read this document

- ◆ **Articles** are numbered 1 to 31 and grouped into thematic parts for ease of navigation.
- ◆ **Diamonds (◆)** mark individual clauses within an article.
- ◆ **Plain-terms panels** summarise meaning; where a panel and the article ever appear to differ, the article text governs.
- ◆ **Illustrations** explain the playing field and the Federation's structure at a glance.
- ◆ The **official language is English**; in any dispute over meaning in a translation, the English text prevails.

A NOTE ON LEGAL STATUS

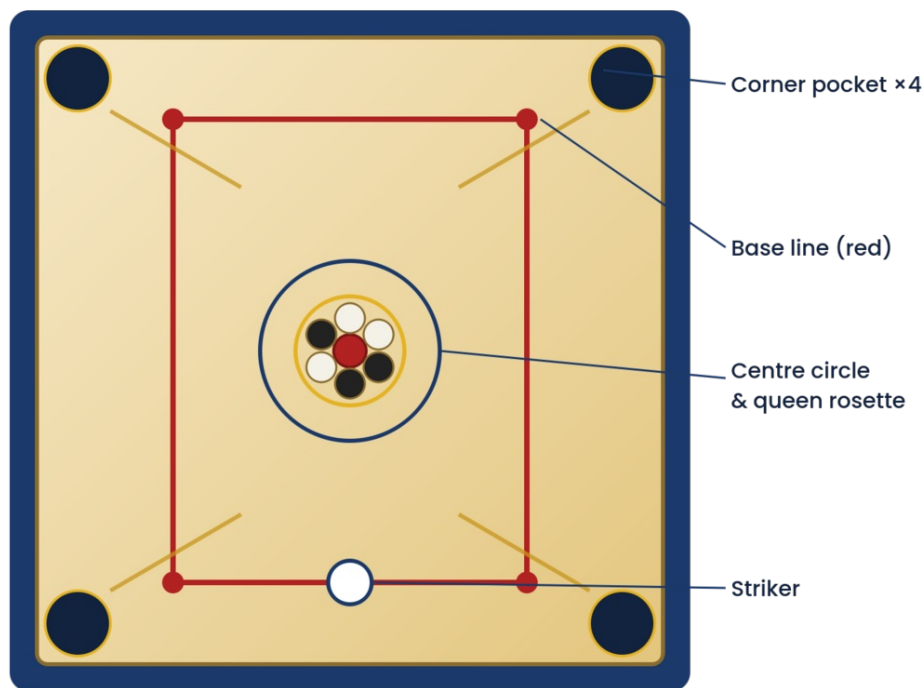

WCF is a non-profit association under Article 60 of the Swiss Civil Code. It exists for an indefinite period and can only be dissolved by a special vote of its Members. Its name and logo are formally registered in Zurich, Switzerland.

Founding principles at a glance

Principle	What it commits us to
Sport for All	Carrom is open to every age and ability level.
Fair Play	Competition free of drugs, violence, discrimination and manipulation.
Harassment-Free Sport	A safe environment governed by a Code of Ethics.
Equal Opportunity	Active promotion of women's participation at every level.
Environmental Care	Minimising the environmental impact of events and equipment.
Non-Discrimination	No discrimination on grounds of race, gender, language, religion or politics.

The Game We Govern

Carrom is a strike-and-pocket tabletop sport played on a square wooden board. Players flick a heavier disc — the **striker** — to send lighter discs, the **carrom men**, into netted corner pockets. The red disc at the centre, the **queen**, carries special value. These Statutes govern the Federation that stewards this sport worldwide.

Diagonal arrows aim toward the pockets

The regulation carrom board — **four corner pockets**, a red **base line**, the **centre circle** where the men are arranged at the start of play, and the white **striker** at the base.

WHY A GOVERNING BODY MATTERS

A world sport needs one recognised authority to publish the rules, run championships to a common standard, resolve disputes fairly, and protect players from doping, corruption and abuse. That authority is the World Carrom Federation, and these Statutes are the rules it lives by.

IDENTITY & PURPOSE

Who the Federation is, what it stands for, and the values that bind its Members.

Art. 1 Name, Legal Status and Headquarters

- ◆ The World Carrom Federation (“WCF”), founded in 1988, is organised as a non-profit association under Article 60 of the Swiss Civil Code.
- ◆ WCF is established for an indefinite period and may only be dissolved in accordance with Article 30.
- ◆ WCF's name and logo are registered at the Federal Commercial Registry Office in Zurich, Switzerland.
- ◆ Motto: “Carrom for All, All for Carrom.” Official colours: Blue and Yellow.
- ◆ The headquarters shall be located in the country where the Secretary General resides, until WCF acquires its own premises or the Congress resolves otherwise by a two-thirds majority.

IN PLAIN TERMS

WCF is a Swiss-registered non-profit, born in 1988, built to last. It can only be wound up by a special vote, and for now its home base follows wherever the Secretary General lives.

Art. 2 Official Language

- ◆ English is the official language for minutes, correspondence, publications and announcements.
- ◆ Delegates may use another language at meetings if they arrange and fund their own interpretation, giving advance notice to the Chair.

IN PLAIN TERMS

Official business is conducted in English. You may speak another language at a meeting, but you must organise and pay for your own interpreter and tell the Chair beforehand.

Art. 3 Purposes and Objectives

WCF's central purpose is the governance, development and worldwide promotion of Carrom. Its objectives include:

- ◆ Publishing and enforcing the Statutes, Rules and Regulations governing Carrom internationally.
- ◆ Promoting fair, non-discriminatory participation regardless of gender, race, religion or political view.
- ◆ Supporting new members and resolving disputes between and within members.
- ◆ Eliminating match-fixing, corruption and doping.
- ◆ Organising World Carrom events to international standards.
- ◆ Developing sustainable revenue sources and international partnerships.
- ◆ Encouraging the participation and representation of women in Carrom and in WCF governance.

Art. 4 Principles

- ◆ **Sport for All** — Carrom is open to all ages and ability levels.
- ◆ **Fair Play** — competitions must be free of drugs, violence, discrimination and manipulation; corruption and bribery are sanctionable.
- ◆ **Harassment-Free Sport** — governed by a WCF Code of Ethics.

- ◆ **Equal Opportunity** — active promotion of women's participation at all levels.
- ◆ **Environmental Responsibility** — minimising the environmental impact of events and equipment.
- ◆ **Non-Discrimination and Ethics** — no discrimination on racial, gender, language, religious or political grounds.

Art. 5 Autonomy

- ◆ Members have full autonomy over their national affairs, free from political, religious or financial interference.
- ◆ The Executive Committee or Congress may act against a Member that compromises this autonomy.

IN PLAIN TERMS

Each national federation runs its own affairs without outside meddling. But if a government or third party captures a federation, WCF can step in to protect the sport's independence.

MEMBERSHIP & CONFEDERATIONS

Who belongs to WCF, on what terms, and how the world is organised by continent.

Art. 6 Membership

6.1 Classes of Membership

Class	Who they are	Congress vote
Full Members	The recognised national Carrom federation or association for a country.	Yes
Associate Members	Bodies working to establish a national federation in an unrepresented territory. Lapses when a Full Member is admitted; maximum 5 years unless extended by Congress.	No
Honorary Members	Individuals who served 8+ years on the Executive Committee, elected by Congress.	No
Partners	Organisations formally supporting WCF's development goals.	No seat

6.2 Admission

- ◆ Applications are made in writing to the Secretary General, reviewed by the Executive Committee, and granted definitively by Congress.
- ◆ Only one entity per country may hold WCF membership.

6.3 Obligations

- ◆ Compliance with the Statutes and Regulations; payment of fees; submission of an annual report within the first four months of the year.

6.4 Subscriptions

US\$150 FULL MEMBER / YEAR	US\$50 ASSOCIATE / YEAR	Free HONORARY MEMBER
--------------------------------------	-----------------------------------	--------------------------------

- ◆ Subscriptions are due on 1 January each year; a Member is in arrears if unpaid by 31 December.

6.5 Resignation, Suspension and Expulsion

- ◆ Resignation requires written notice to the Secretariat; the resigning Member remains liable for that year's subscription.
- ◆ The Executive Committee may suspend a Member for a serious breach, subject to confirmation by the next Congress; a suspended Member loses voting and sporting-contact rights.
- ◆ Persistent, serious breach may lead to expulsion by Congress majority; the Member may appeal to the Appeals Panel and thereafter to the Court of Arbitration for Sport (CAS).

6.6 Member Registry

- ◆ The Secretary General maintains a registry recording each Member's name, address, membership date, type and status.

IN PLAIN TERMS

One federation per country. Full Members vote and pay US\$150 a year; newcomers can join as Associates while they build up. Break the rules seriously and you can be suspended or expelled — but you always have a right of appeal, ultimately to the sport's supreme court, CAS.

Art. 7 Continental Confederations

- ◆ WCF recognises Continental Confederations for Africa, Asia, Europe, Oceania and the Americas, aligned with IOC continental divisions.
- ◆ Each Confederation's constitution must conform to WCF's Statutes; Members automatically belong to their corresponding Confederation.
- ◆ Confederations may hold continental championships, propose Executive Committee candidates, and submit motions to Congress.

Five confederations
across every continent

WCF organises the world into **five continental confederations**, mirroring the divisions used by the International Olympic Committee.

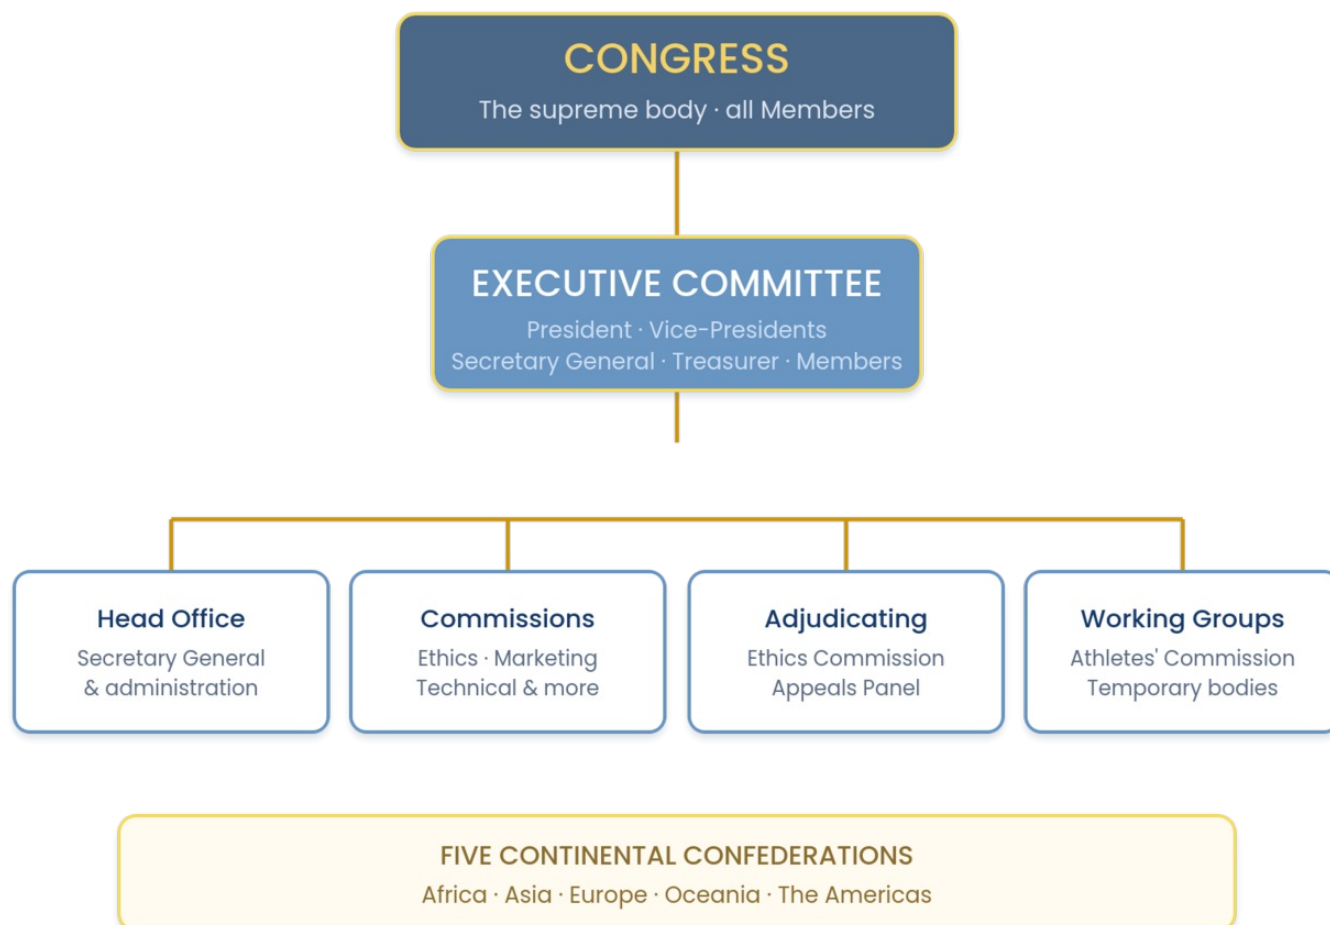

HOW WCF IS GOVERNED

The bodies that run the Federation, their powers, and how decisions are made.

Art. 8 Structure of WCF

- ◆ **Congress** – the supreme body; no other body may overrule its decisions.
- ◆ **Executive Committee** – the executive body.
- ◆ **Head Office** – the professional administrative body, led by the Secretary General.
- ◆ **Standing Commissions and working groups** – support bodies of the Executive Committee.
- ◆ **Adjudicating bodies** – WCF's legal and disciplinary authorities (Ethics Commission, Appeals Panel).

How WCF fits together. **Congress** is sovereign; the **Executive Committee** runs the Federation between Congresses; the **Head Office, Commissions, adjudicating bodies and working groups** carry out the work; and **five confederations** connect every Member to the whole.

Art. 9 Congress

9.1 Ordinary Congress

- ◆ Held every two years, coinciding with the World Cup / World Championship; the Executive Committee and Commissions are elected every four years.
- ◆ Each Member may send two delegates (one with voting authority); the quorum is 50% + 1 of eligible Members.
- ◆ The agenda is published at least four weeks in advance; motions are submitted at least two weeks before Congress opens.

9.2 Extraordinary Congress

- ◆ Convened by the Executive Committee on the written request of a simple majority of Member Federations, within two months of the request; it cannot coincide with an Ordinary Congress year.

9.3 Voting and Elections

- ◆ Voting is by show of hands unless a Member requests a secret ballot, approved by simple majority.
- ◆ Elections require an absolute majority; a run-off applies if no candidate achieves this on the first ballot.
- ◆ Statute amendments require a Special Majority (defined in Article 31).

IN PLAIN TERMS

Congress is the parliament of world Carrom. It meets every two years, elects the leadership every four, and needs just over half its Members present to act. Big constitutional changes need a special super-majority — see Article 31.

Art. 10 Executive Committee

- ◆ **Composition:** President, Vice-Presidents, Secretary General (with Assistant), Treasurer (with Assistant), and additional Members — as fixed by Congress.
- ◆ Elected for a four-year term, renewable for a maximum of two consecutive terms; members serve on a voluntary basis, compensated only per the Financial Regulations.
- ◆ No more than two members from one National Federation may sit on the Executive Committee, and no more than one may hold the offices of President, Secretary General and Treasurer between them.
- ◆ Decisions are made by simple majority; the President holds the casting vote in the event of a tie.
- ◆ The Committee may submit proposals and motions to Congress and appoint candidates to permanent Commissions and working groups.

10.1 Duties of the President

- ◆ Cannot simultaneously hold the presidency of any Continental Federation.
- ◆ Leads WCF as chief elected officer; chairs the Executive Committee and provides broad policy guidance to the Secretary General.
- ◆ Assigns roles and duties to the Vice-Presidents.
- ◆ Supports WCF and its policies both internally and externally.
- ◆ Plans and chairs Executive Committee and general meetings, including agenda preparation in consultation with the Secretary General.
- ◆ Enforces adherence to the Statutes and Bylaws and safeguards the integrity of Executive Committee process.
- ◆ Reviews Commission reports and advises the Committee on any necessary follow-up.

10.2 Duties of the Vice-Presidents

- ◆ Assist the Executive Committee in ensuring the smooth operation of WCF.
- ◆ Ensure that resolutions passed by Congress are implemented by the Committee and other relevant bodies.
- ◆ Participate in Executive Committee meetings, Congresses and other informal meetings.
- ◆ Work to strengthen ties between WCF, the Continental Confederations and other international bodies.
- ◆ The 1st Vice-President represents the President in his or her absence, with full rights and duties, without requiring separate authorisation.

10.3 Duties of the Secretary General

- ◆ Cannot simultaneously hold the presidency of any Continental Federation.
- ◆ Oversees all administrative work of WCF; organises Executive Committee meetings and keeps their minutes.
- ◆ Organises the Ordinary and Extraordinary Congresses and maintains their minutes.
- ◆ Implements resolutions of the Executive Committee and supervises administrative staff.
- ◆ Handles WCF's correspondence, coordinating with Members where necessary.
- ◆ Prepares and submits all reports required by international bodies, meeting their deadlines, and prepares the Annual Report.
- ◆ Pursues international assistance from relevant bodies for WCF's benefit.

10.4 Duties of the Treasurer

- ◆ Maintains and administers all WCF accounts and keeps proper records of expenditure, revenue and other transactions.
- ◆ Prepares the annual budget and maintains budget balance.
- ◆ Ensures international grants and aid are obtained on time and properly recorded, and administers international financial transactions.
- ◆ Provides financial assistance to eligible Members on the advice of the Executive Committee.
- ◆ Ensures Members pay their annual subscriptions, maintaining records and updating Members at least twice a year.

10.5 Duties of At-Large Members

- ◆ Each chairs a respective permanent Commission of WCF.
- ◆ Assists and advises the Committee on general administration and attends all its meetings.
- ◆ Takes a leadership role in implementing WCF activities and Executive Committee / Congress resolutions.
- ◆ Ensures required designations and reports are prepared and presented on time.

10.6 Executive Committee Meetings

- ◆ Held at least twice a year, by teleconference or other suitable means; a meeting may be convened on the request of a majority of members.
- ◆ Chaired by the President, then (in order of unavailability) the 1st Vice-President, then the Secretary General; if none is present, the meeting cannot proceed.
- ◆ Members must receive at least two weeks' written notice, including date, time, place and agenda.
- ◆ A meeting is quorate with at least a majority of members present, including the President or 1st Vice-President and the Secretary General (or with the Secretary General's prior consent if absent).
- ◆ Decisions require 50% + 1 of members present; the Chair holds the casting vote on a tie. Voting is by show of hands unless the President orders a secret ballot.
- ◆ Minutes are kept by the Secretary General (or a delegate), circulated to all members, and confirmed at the next meeting.

10.7 Information to the Media

- ◆ Official statements about WCF activity are given by the President, the Secretary General, or a person nominated by the Committee for that purpose.
- ◆ Any member may otherwise provide information to the media but is personally responsible for its accuracy — WCF is not liable for false statements made independently, and disciplinary or legal action may follow if the Committee is harmed.

10.8 Removal from Office

- ◆ A member loses office upon criminal conviction, three consecutive unexcused absences from meetings, incapacity, death, or removal by a Special Majority vote of Congress.
- ◆ A retiring, resigning or removed member must hand over all related documents and matters to an authorised person within 14 days.
- ◆ Vacancies are filled by co-option until the next election; if the President's office falls vacant, the 1st Vice-President acts as head of WCF until the next elections.

IN PLAIN TERMS

The Executive Committee is a volunteer leadership team, elected for four years and capped at two terms. Power is deliberately spread out — no single federation can dominate it. Leaders who are convicted, keep missing meetings, or lose the Congress's confidence can be removed, and a clear line of succession keeps the Federation running.

Art. 11 Commissions

11.1 General Provisions

- ◆ Standing Commissions normally meet during Congress and otherwise conduct business by correspondence; meetings are, where possible, open to Congress delegates as observers.
- ◆ A Commission may form sub-committees for specific work; their recommendations require endorsement by the full Commission before submission to Congress or the Executive Committee.
- ◆ A member who does not respond in writing to a circulated proposal within the specified period is deemed to have agreed to the resulting recommendation.
- ◆ Each Commission Chair submits an annual report to the Committee; acceptance of a report does not automatically imply acceptance of its recommendations.
- ◆ All Commissions function under the direct supervision of the Executive Committee, which may authorise a Commission to act on its behalf within a specified scope and duration.

Commission	Members	Core mandate	Term
Ethics (EC)	3–5	Monitor a Code of Conduct and Statute compliance; investigate complaints and recommend action; develop ethics standards for coaches, players, umpires and officials.	2 yrs
Marketing & Media (MMC)	3–5 (2+ media)	Channel WCF activity to the public; publish the newsletter and website; manage media assets; produce teaching and promotional material; grow Carrom across all ages; train coaches and managers.	2 yrs
Technical & Competition (TCC)	3–5 (2+ technical)	Review competition regulations; report on championships; align decisions with the Laws of Carrom; circulate the Laws and rule changes; ensure translation accuracy; run umpire examinations; recommend rule changes.	4 yrs

11.5 Temporary Commissions and Working Groups

- ◆ The Executive Committee may form, rename or dissolve temporary commissions as required (3–5 members each), with the chair elected by the Committee. Members are notified when a new temporary commission is formed. All function under direct Executive Committee supervision.

11.6 Fixed-Asset Oversight Committee

- ◆ The Executive Committee shall appoint a committee of 3–5 members to administer any fixed assets (property, equipment, structures) acquired by WCF. Members remain in office until resignation or replacement.

IN PLAIN TERMS

Commissions are the Federation's expert working teams. Three are permanent — Ethics keeps everyone honest, Marketing & Media grows the game, and the Technical & Competition Commission looks after the Laws of Carrom and how events are run. The Committee can also spin up temporary teams as needs arise.

Art. 12 Administration

- ◆ The Executive Committee may appoint management staff, including an Executive Director responsible for the Head Office.
- ◆ All correspondence and proceedings are conducted in English (Article 2).
- ◆ WCF shall periodically publish an official Handbook and Bulletin, supplied free to each Member.

IV FINANCE & CONDUCT

How the Federation's money is handled, and the clear limits on its use.

Art. 13 Finances

- ◆ The financial year runs from 1 January to 31 December.
- ◆ The Treasurer prepares audited annual accounts and an inventory list; cheques require the joint signature of the President, Secretary General and Treasurer.
- ◆ The President or 1st Vice-President, the Secretary General and the Treasurer act as Trustees for WCF property transactions, indemnified against personal risk arising from that role.
- ◆ Assets may not be used for commercial profit-making without Congress approval, nor distributed among members or the Executive Committee.
- ◆ The annual finance report is presented to and approved by Congress, and made available to Members on request.

Fee schedule (2015 figures shown; set by the governing body from time to time)	Annual subscription
Full Members	US\$150 / year
Associate Members	US\$50 / year
Honorary Members	Free

IN PLAIN TERMS

The books are audited every year and no single officer can move money alone – three signatures are required. WCF's assets exist for the sport, never for private gain, and the accounts are open to Members.

Art. 14 Prohibitions

- ◆ WCF funds may not be used to pay members' court fines, to fund lotteries, or for political activity.
- ◆ Members may not accept bribes; proven cases may result in expulsion and referral to a court of law.
- ◆ Except for professional administrators, members may not receive compensation for their WCF duties beyond reimbursement of reasonable expenses.

Art. 15 Dispute Resolution

- ◆ Disputes are first heard by the WCF Appeals Panel.
- ◆ Appeals Panel decisions may be appealed exclusively to the Court of Arbitration for Sport (CAS), Lausanne, Switzerland, within 21 days of notification.
- ◆ CAS decisions are final and binding; proceedings are conducted in English unless the parties agree otherwise.

IN PLAIN TERMS

There is a clear ladder of justice: the Appeals Panel first, then — as a final step — the Court of Arbitration for Sport, the same independent court that serves the Olympic movement. Its ruling is the last word.

Art. 16 Amendments

- ◆ Constitutional amendments may only be made by Congress, on proposals submitted at least six months in advance and circulated to Members at least three months before Congress, requiring a Special Majority to pass.
- ◆ Amendments to the Laws of Carrom may be made by the Executive Committee on the recommendation of the Technical & Competition Commission, subject to the Congress information and ratification requirements set out in this Article.

Art. 17 Adjudication

17.1 Judicial Bodies

- ◆ WCF's judicial bodies are the Congress, the Executive Committee, the Ethics Commission, and the Appeals Panel.
- ◆ All but the Appeals Panel may delegate their judicial power; the procedural provisions of these Statutes must be followed in every case.
- ◆ Judicial bodies may make decisions and impose penalties within their designated areas of responsibility.
- ◆ A suspension may apply to all competitive events for any period, including for life, where warranted.
- ◆ A fine imposed on a player, official or other person is notified to their Member Federation, which is responsible for payment to WCF within 60 days.
- ◆ The Executive Committee may impose an interim suspension where there is strong evidence of serious misconduct, pending conclusion of the disciplinary process; such a suspension may be lifted by the Committee or Congress.

17.2 The Appeals Panel

- ◆ Appointed by Congress on the Executive Committee's recommendation; a pool of no fewer than 5 members.
- ◆ Executive Committee members and WCF staff may not serve on the Appeals Panel.
- ◆ An appeal must be lodged within 21 days of receiving the decision being appealed.
- ◆ Each appeal is heard by at least 3 Panel members, one of whom is selected by the appellant from the pool.

17.3 Judicial Procedural Rules

All judicial bodies must provide fair procedure and respect the fundamental rights of every party, specifically:

- ◆ Exclusion of any person with a potential conflict of interest from the decision-making body;

- ◆ The right of the charged person to know the charge against them;
- ◆ The right to know the penalties that might be imposed;
- ◆ The right, at their own expense, to be heard, to present a defence, to produce evidence, and to be assisted by counsel.

17.4 Governing Law

- ◆ WCF and these Statutes are governed by the law of Switzerland.

IN PLAIN TERMS

Discipline is handled fairly and by the book. Anyone accused has the right to hear the charge, know the possible penalty, and defend themselves with a lawyer. Judges with a conflict of interest must step aside, and the Appeals Panel is kept independent of the leadership.

Art. 18 Anti-Doping

- ♦ WCF and its Members shall adopt and comply with the World Anti-Doping Code and the rules of the applicable National, Regional or International Anti-Doping Organisation for all sanctioned competitions.
- ♦ The Executive Committee shall designate a body or partner responsible for testing, results management and sanctions consistent with the Code.
- ♦ A doping violation is grounds for disciplinary action under Article 17, independent of any criminal or civil proceedings.

Art. 19 Integrity of Competition

- ♦ Match-fixing, irregular or illegal betting on WCF-sanctioned events, and the use of performance-enhancing substances are prohibited (see also Articles 4 and 14).
- ♦ Any person or Member with information concerning a breach must report it to the Ethics Commission, which shall investigate and may recommend sanctions to the Executive Committee.
- ♦ WCF shall, where practicable, cooperate with national sports-betting regulators and international integrity bodies.

IN PLAIN TERMS

Carrom must be clean and honest. Doping, match-fixing and illegal betting are banned outright, everyone has a duty to report wrongdoing, and WCF works with outside watchdogs to protect the results on the board.

Art. 20 Safeguarding and Protection of Participants

- ♦ WCF and its Members are responsible for providing a safe environment for all participants, with particular attention to minors and other vulnerable participants.
- ♦ The Ethics Commission shall maintain a Safeguarding Policy addressing the prevention, reporting and response to abuse, harassment or neglect in connection with WCF or Member activities.
- ♦ All WCF and Member officials working directly with minors shall be subject to a suitability or background check consistent with the laws of their jurisdiction.

IN PLAIN TERMS

Everyone in the sport — especially children and vulnerable people — has the right to take part safely. There is a formal Safeguarding Policy, and officials who work with minors must pass a background check.

VI MODERN GOVERNANCE

The commitments that keep WCF fair, transparent, well-run and fit for a global era.

Art. 21 Athletes' Commission

- ♦ WCF shall establish an Athletes' Commission to represent the views of active and recently active players in WCF governance.
- ♦ Members shall be elected or nominated by players in a manner determined by the Executive Committee, for a term aligned with the Committee's electoral cycle.
- ♦ The Athletes' Commission Chair may attend Executive Committee meetings in an advisory capacity.

Art. 22 Gender Equality in Governance

- ♦ WCF is committed to progressively increasing the representation of women within the Executive Committee, Commissions and other decision-making bodies, consistent with recognised good-governance benchmarks for international sports federations.
- ♦ The Executive Committee shall report to each Ordinary Congress on progress toward this commitment.

IN PLAIN TERMS

Players get a real voice through their own Commission, and WCF has pledged to bring more women into its leadership — and to report on that progress at every Congress.

Art. 23 Conflict of Interest

- ♦ Any office bearer, Commission member or staff member with a personal, financial or organisational interest in a matter before a WCF body must disclose that interest before discussion and abstain from voting on it.
- ♦ A standing register of disclosed interests shall be maintained by the Secretary General and made available to the Executive Committee and Ethics Commission on request.

Art. 24 Intellectual Property, Name and Logo

- ♦ WCF's name, logo, flag and associated marks are the exclusive property of WCF and registered as noted in Article 1.
- ♦ Members and Continental Confederations may use the WCF name and logo only in connection with authorised activities and in accordance with any branding guidelines issued by the Executive Committee.
- ♦ Unauthorised commercial use of WCF's marks is prohibited and may be sanctioned under Article 17.

Art. 25 Data Protection

- ♦ WCF shall process the personal data of members, officials, players and other stakeholders only for legitimate federation purposes and in a manner consistent with applicable data protection law.
- ♦ The Executive Committee shall issue a Data Protection Policy governing the collection, storage, sharing and retention of personal data.

Art. 26 Insurance

- ♦ The organiser of any WCF-sanctioned event shall arrange appropriate event, public liability and (where applicable) participant accident insurance, meeting any minimum standard set by the Executive Committee.
- ♦ WCF may, at its discretion, arrange indemnity insurance for Executive Committee members, Trustees and Commission members acting in their official capacity.

Art. 27 Force Majeure

- ♦ No WCF body or Member shall be held in breach of these Statutes for failure or delay in performance caused by circumstances reasonably beyond its control – including natural disaster, war, pandemic or government action – provided it takes reasonable steps to mitigate the impact and resume performance as soon as practicable.

IN PLAIN TERMS

Articles 23–27 are the hallmarks of a modern, trustworthy federation: officials must declare conflicts of interest, the WCF brand is protected, personal data is handled lawfully, events must be insured, and no one is punished for disruptions genuinely beyond their control, such as a pandemic.

Art. 28 Notices

- ♦ Formal notice under these Statutes shall be given in writing by email, fax or mail to the address most recently provided to the Secretariat, and is deemed received on the date of transmission or, for mail, per the timeframe set by the Executive Committee.

VII

FINAL PROVISIONS

What happens if a clause fails, how the Federation could be dissolved, and the definitions that give the Statutes their precision.

Art. 29 Severability and Entry into Force

- ◆ If any provision of these Statutes is held invalid or unenforceable under applicable law, the remaining provisions continue in full force, and the Executive Committee shall propose a replacement provision to the next Congress consistent with the original intent.
- ◆ These consolidated Statutes take effect on the date of their adoption by Congress and supersede all prior versions.

Art. 30 Dissolution

- ◆ WCF may only be dissolved at a Congress specially convened for that purpose, by a three-quarters majority of Members present and entitled to vote.
- ◆ On dissolution, Congress appoints liquidators to discharge debts and liabilities, and may designate a successor NGO to receive remaining WCF property for the continued promotion of Carrom.

IN PLAIN TERMS

A single flawed clause never brings down the whole document. And winding up WCF is deliberately hard: it takes a special Congress and a three-quarters majority, with any remaining assets passed on to keep promoting Carrom.

Art. 31 Definitions

The following terms carry defined meanings throughout these Statutes:

Absolute Majority

More than half of the valid votes cast.

Simple Majority

The highest number of valid votes cast for a candidate or motion in a given vote.

Special Majority

Two-thirds of the valid votes cast at a Congress, representing at least half of the total voting power of all Members.

Votes Cast

Excludes abstentions, blank votes, and votes for more or fewer candidates than required.

NOTE

The full definitions of Member, Associate Member, Honorary Member, Executive Committee, Congress, Commissions, CAS, Laws of Carrom, Territory and related terms follow the fuller glossary set out in Article 19 of the 2015 Statutes, retained here in Article 31 in full for legal precision.

Adoption of the Statutes

These consolidated Statutes of the World Carrom Federation were adopted by the Congress and enter into force on the date of adoption, superseding all prior versions in accordance with Article 29.
